Recycling and Trash Information

PLEASE NOTE: Recycling is now mandatory. At the annual town meeting of Oct. 11, 2005, voters of Tyngsborough voted in a new by-law making recycling mandatory. Up to 80% of your household waste is recyclable or compostable. Here are some helpful hints to support your recycling efforts:

Remember that trash & recycling containers must be well separated for curbside pickup. We suggest trash and recycling be placed on opposite sides of your driveway, or at least 10 feet apart. Recycling stickers for your containers are available FREE at the Board of Health Office.

Curbside Recycling

Co-mingled - Plastic (1-7), metal, glass (clear, green, brown), aluminum cans/pie plates - rinse and place in a bin. We recommend using your largest containers for co-mingled items.
Mixed Paper - Newspaper, magazines, junk mail, corrugated or pressed cardboard (it may not contain food residue). Put in paper bags, tie in bundles, or put in recycling container. We recommend using your smaller containers for paper items.
